

FOR IMMEDIATE RELEASE:

Kitchens Plus Announces

Home Remodeling and Kitchen Tour Showcase, Social and Educational Event

La Mesa, CA, March 26, 2008: Kitchens Plus has announced a date for their first Home Remodeling and Kitchen Tour in 2008. The Home Remodeling and Kitchen Tour is a free, open house tour of recently completed remodeling projects in a centralized area. It is not just a showcase of the home, the designs and the craftsmanship, but it is also a community social and educational event. Certified Designers and Vendors will be available at the event to answer questions and provide educational materials. Homeowners and Real Estate Agents are all invited. The open house tours will occur on April 26th between 10:00 AM and 1:00 PM. The showcase homes will be in and around La Mesa, zip code 91941. For addresses and directions please visit www.KitchensPlusSD.com, or call one of the Kitchens Plus Showrooms at (619) 466-5100 or (858) 693-4000.

"In today's real estate market a remodel is the perfect solution to improving the lifestyle and financial position of the homeowner and their family" states Matt Barns, President of Kitchens Plus. "The Home Remodeling and Kitchen Tour is a program that we started in 2007 as a way to showcase our work. As our tours developed, it became apparent that they were much more than a showcase; they have become an opportunity to meet a neighbor, to socialize, and to gain an education on the processes and the impacts of a professional home remodel. You imagine, we create... then you enjoy your new lifestyle and reap the financial benefits of your investment."

Kitchens Plus is a full-service General Contractor specializing in kitchen and bathroom remodeling. They have been remodeling homes throughout San Diego for more than 24 years. Their remodeling process is unique and all-inclusive; it is a customer centered design-build approach that leads to complete satisfaction with cost-effective pricing. Kitchens Plus has a clear understanding that a home remodel is more than just a construction project; for their customers it is an improvement in lifestyle and an investment in their future.
